JUVENILE GRANGE DAY HELD IN AMHERST

The first Juvenile Grange all state Day held in the nation was held at Amherst, Massachusetts Saturday, April 27th with an afternoon and evening program. The day's attendance was between 600 to 700 and at the closing of the program in the evening, 328 were in attendance.

Greetings in the form of a proclamation were sent by Governor Foster Furcolo with regrets that other commitments prevented his personal attendance.

Honored guests included Lucile Frederick, National Juvenile Matron from Ohio; Mildred LeBaron from Mattapoisett, State Matron; Nancy Mansfield, National Pomona; Wib Justi from Washington, National Youth Deputy; Gerry Mansfield, State Master; Marion Johnson, State Lecturer and 32 other State officers. Also, J. Elizabeth Bushman, State Matron of Rhode Island, and two of her deputies, and Jennie Stewart, State Matron of Vermont.

The afternoon program opened at 3:30 with the Juvenile Grange members entering the hall in procession and taking seats at the front.

The assistants escorted the honored guests to their places.

The chairs were filled by all the Juvenile officers of the State with the Juvenile Deputies acting as Matrons.

Nancy Corcoran, Master of the Mattapoisett Juvenile Grange, served as lady assistant steward.

The National Superintendent, Mrs. Frederick, spoke briefly.

Orchestra selections and drill team of the Watuppa Juvenile Grange, with Mrs. Grace

Fitton of Westport in charge, and chorus selections by the Ludlow Juvenile Grange completed the afternoon's program.

A supper was served by members of the Amherst Subordinate Grange in the school cafeteria.

The evening program opened with the officers of the Amherst Juvenile Grange in the chairs, followed by a puppet show.

Deputy Frederick Tirrell of Plainfield entertained with a humerous sketch of painting a bird house.

Mrs. LeBaron spoke on "My Dreams Coming True", and introduced her deputies. Special recognition was given to Gladys Reed, deputy, of Amherst, who played a major part in the preparation of this event, and who was assisted by Miss Mary Lee of Saxonville.

Also speaking were the State Master, Mr. Mansfield, and the State Lecturer, Mrs. Johnson, who mentioned that this day was one of the most important to date in Grange history.

The program closed with an impressive candlelight service by the Northboro Juvenile Grange with Hildred E. Braun in charge.

LINDEN LODGE EXPANDS

Those who regularly enjoy stopping at the Linden Lodge will be interested in the new dining room and lounge built this year. Reconstruction of the former bungalow at the rear of the parking lot gives those who enjoy fine food, pleasant surroundings and a short drive just about everything they could desire.

The attractive interior still has that pleasant view across the lake, excellent heating, cooling and ventilation for your comfort. A chef of 30 years experience will cater to your food wishes, and Mr. Chester Grover will be your host.

With its lovely gift shop still located in the lodge your stop should in every way be one to remember.

CUB SCOUT PACK REORGANIZED IN ROCHESTER

Ellsworth Dexter of Marion, District Scout Commissioner, met with a group in Rochester to discuss reorganization of Pack 30 under the sponsorship of the Men's Brotherhood.

Mr. Dexter stressed the close relationship which should exist between the cub scouts and the boy scouts.

There will be three meetings for interested parents and boys to be held April 30th, May 7th, and May 14th, at the First Congregational Church vestry. A representative from Cachalot Council will be present to explain the aims and purposes of cub scouting.

Nathan Lawrence has been appointed by the Brotherhood to be in charge of the reorganization.

Letters will be sent out by Stephen Lawrence, president of the Brotherhood, to all parents of boys eligible for cub scouting.

The Boy Scout committee will act temporarily until a new committee is chosen.

Jan. 26th. Monday we finish our rudder and hand it. The Larboard watch go on shore. I this day visit the Mormon missionary 3 miles back in the country. He says he is endowed with the gifts of prophesy, healing the sick, casting out evil & C. His wife complains of the want of society. The abode appears like an Eden. They are natives of Massachusetts and talk of going home in a year. The Brig ONTARIO of Boston came in from Valparaiso. She is a trader, armed with 8 cannon, a Baltimore Clipper.

Jan. 27th. Tuesday we set our signals for sea but are not able to get out. An English two topsail schooner comes in today. An American anchors. Tis said she is a New Bedford whaler.

light the Pilot comes onboard. We get under way and tow out clear of the reef. The Capt. goes in and gets Stephen Stanley out of the calaboose. There is verry little wind today. In getting the anchor on the bow a strap parted and the anchor carried away the starboard cathead and carried Mr. Lyons overboard. We repair the Cathead. The Capt. comes on board. We try to get off shore and bid farewell to this modern Babylon. Tahiti is now a French Colony. They unjustly dispossessed the Queen and have taken possession of her inheritance. There is 800 French troops on the Island and 6 or 700 emigrants. They have several block houses and 3 or 4 stockade forts with heavy cannon. The natives seem like a people whose days are numbered. Passing away seems to be stamped on them. It was formerly a good place for whalers to recruit but now they can get nothing. We have no potatoes of any kind and could get no vegetables of any kind but a few oranges and lemons. Nature has not been niggard in her favors to this island. I think its beauty will pass away with the Aborigineese. The French are making them verry immoral. Henry Bonning went to the American Hospital yesterday sick with piles. An American sailor swam from a French Bark to us and was secreted away by the crew till we got outside. Two blacksmiths, twin brothers, natives of New England, with 2 little girls, one 7 the other 5, have taken passage with us for Owyhee Sandwich Islands whither we are bound.

Jan. 29th. Thursday begins with a moderate breeze from the southward and eastward. At

daylight the Isle of Tahiti with its tropical glories had faded away. Coarse N.N.E. We do various light jobs. There is a large shark prowling about us today. This afternoon the wind is from the Southward and westward.

Jan. 30th. Friday the wind is light from the north and west. We make wheel ropes out of raw hide that we got in Otahita.

Jan. 31st. Saturday the wind is N.W. Latter part strong with a head sea We bend our Cotton Jib.

February, 1846 bound from Otahita to Owyhee.

Feb. 1st. Sunday the wind is N.N.W. The Capt. talks strongly of going in to the Margueses for a recruit. At 4 P.M. there is evry appearance of rain and a shift of wind. We saw 2 or 3 blackfish today.

Feb. 2nd. Monday the wind is about N. We tack ship several times. Wind as usual which is ahead.

Feb. 3rd. Tuesday the wind is N. and E.N.E. We drag our slow length along.

Feb. 4th. Wednesday the wind is to the northward and Eastward and our progress is slow. We do various little jobs about the ship. I have been nearly sick with a cold in the head and lungs for the last 5 or 6 days.

COVER PICTURE

Photograph taken in Marion of the stream beside Mr. and Mrs. Earl DeWalt's Red Brook Farm. It doesn't seem possible with the warm weather we have been having that this picture with melting snow on the banks of the brook was taken about 1½ months ago. We've saved this one for a warm week.
